# ARUN PANDEY

## FRONT END DEVELOPER

## EXPERIENCE

**Frontend Developer** AstroswamiG Solutions - Gurugram, Haryana  
11/2020 - Present

- Spearheaded the development and implementation of a **chat platform utilizing Firestore on Firebase**, facilitating seamless communication between users and astrologers, resulting in improved customer satisfaction and engagement.
- Utilized HTML, CSS, **JavaScript and ReactJS** to create intuitive and aesthetically pleasing user interfaces.
- Conducted code reviews and provided constructive feedback to enhance code quality and maintainability.
- Worked closely with UX/UI designers to implement design specifications and ensure seamless user experiences.
- Successfully delivered projects within specified timelines, meeting or exceeding client expectations.

Resolved cross-browser compatibility issues and **optimized websites for performance**.

## EDUCATION

**B Tech: Computer Science - 71%**

**Dr. APJ Abdul Kalam Technical University** - Lucknow, 06/2020

## PROJECTS

• E-Commerce - **MERN Stack** (08/2022 - Present)

A comprehensive online shopping platform, akin to Amazon and Flipkart. This extensive project involves intricate front-end, back-end, and database components, demanding substantial effort and time investment.

Technologies utilized include React.js (Hooks), Node.js, MongoDB, Redux, and SEO (Search Engine Optimization).

• AstroswamiG Web - **Reactjs** (11/2020 - Present)

Led the creation of an extensive online astrology platform, enhancing user experience. Enabled seamless astrologer-user communication through integrated chat and call features. Built a secure e-commerce hub for digital spiritual purchases. Introduced user-friendly features like daily horoscopes, festival info, Kundli services, and advanced match-making. Created ASG Astrologers - Astrologer App for direct connections. Implemented robust notifications and API integrations for real-time updates.
